1. Mr. Van Cott shared that upon a recommendation made by Ms. Barton at the last SDMC meeting, a school safety folder has been assembled for all substitutes to access when reporting to work at the Sagaponack School. This folder contains important school safety information. In addition, Ms. Krempler included a laminated page of important contact information...names and phone numbers.
2. Ms. Payne reported out on the progress of the planning for the Multicultural Movie night that is scheduled for May 17, 2019 from 5:00 to 7:30 p.m., with a rain date of May 23, 2019. After much discussion, it was recommended that Ms. Payne submit a budget for this event ASAP so it can be considered by the Board of Trustees (BOT) at their next meeting scheduled for April 18, 2019. Another recommendation was made that additional parents/adults be recruited to be stationed at various locations during the event. Ms. Payne will work on these important areas of need in the weeks ahead.
3. Ms. Lombardo and Mr. Scammell reported out on their involvement in learning more about New York State Education Department's Next Generation Learning Standards. With some modifications, these replace the prior Common Core Learning Standards.
4. Mr. Van Cott provided an overview of the budget development that has taken place at two budget workshops prior to the Board of Trustees meetings in February and March. The third and final budget workshop will take place on April 18, 2019 with a regularly scheduled BOT meeting to

follow. It is expected that the BOT will adopt the 2019-20 Sagaponack Common School District budget at this meeting. A public hearing on the budget is scheduled for May 14, 2019 and the vote will take place on May 21, 2019.
