

SAGAPONACK COMMON SCHOOL
DISTRICT

June 2021 Newsletter

The second half of the 2020-2021 school year was very busy for our students. Here are some of our activities and events:

Hampton Library Visits:

During the winter months, the children wrote community helper biographies. The stories were displayed at the Budding Author's Reception at the Hampton Library in April. The students and teachers attended the reception virtually. Fun was had by all!

Virtual Field Trips:

Due to the COVID-19 pandemic, our students did not attend in-person field trips. However, we brought the activities to the children virtually!

In February, Dr. Grazina, a local Orthodontist, hosted his annual dental health lesson. The children learned about the importance of good hygiene and healthy eating. On March 1st, we collaborated with the Long Island Science Center in Riverhead and conducted a Zoom gravity lesson. Dr. Gena Marino, our Guidance Counselor, worked with our students over the course of the school year and discussed their feelings about moving up to the next grade level. On May 25th, Joyce Raimondo, from the Jackson-Pollock House hosted a virtual painting session. The children had fun creating their own Jackson-Pollock inspired artwork.

Educational School Garden:

Our educational school garden continues to thrive! The children planted marigolds, string beans, tomatoes, cucumbers and pumpkins. During the summer months, the children can pick vegetables and bring them home to share with their families.

Red and purple flowers were planted in the front of the school building by our students and teachers as part of an Earth Day beautification project.

Spring Concert/Moving Up Ceremony:

Our spring concert and moving up ceremony took place outside at the school on Thursday, June 24th. The children were presented with awards and goodie bags for a job well done this school year! To mark his retirement, Mr. Van Cott was presented with a gift basket and an award for his eight years at the Sagaponack School! Best wishes Mr. Van Cott on your next adventure!

Many Thanks:

We would like to thank all of our parents and community members for being an active part of our school throughout the year! Your involvement is what makes Sagaponack School such a wonderful and unique place for our students!

Please view our website at:
www.sagaponackschool.com in September to see a calendar of events for the 2020-2021 school year!
